COVID-19 INFORMATION

STRESS FREE BOOKING - NOW EXTENDED TO 1ST JUNE

We know that predicting the future is a little difficult right now. Booking any future travel is a risky and stressful business – you want something to look forward to, but you don't want to get caught out!

This is why we've introduced our 'Stress Free Booking' policy – new favourable booking terms designed to give you peace of mind and security when booking a camp experience with us.

Our new terms entitle you to a 100% refund if you choose to cancel a residential camp for any reason before 1st June 2021. Additionally, in the event that we have to cancel a camp due to Covid-19, we will provide you with a 100% refund. Simple as that!

We've thought long and hard about how we can provide you with the reassurance and peace of mind to book great camp experiences that your child can look forward to – replacing anxiety with excitement, and ensuring that they won't miss out on these unforgettable experiences that we know are so important to their development.

DAY CAMPS

You are eligible for a full refund if you cancel up to 14 days before the start of the camp, less a small administration charge. There will be no administration charge if we have to cancel the camp.

THE DETAILS - WHAT DOES STRESS FREE BOOKING MEAN?

Ultimately, this is about giving you total peace of mind and absolute flexibility when you book with us. We want to return excitement to future travel – empowering you to look forward to our camps safe in the knowledge that should things change, you won't lose out.

Deposit refund guarantee before 1st June 2021

If you book a place on any of our residential camps and choose to pay a deposit, you will be entitled to a full refund if you choose to cancel for any reason before 1st June 2021. Please note that the conditions of this special offer supersede the booking terms and conditions on our website that relate specifically to the deposit payment schedule and conditions. All other booking terms and conditions in our [Booking Terms and Conditions](#) still apply.

Travel restrictions in place on the date of your camp

If, after 1st June, there are new or existing travel restrictions on international arrivals into England on the dates of your camp that mean you are either prohibited from entering England or required to quarantine on arrival, then we will provide you with a full refund or a booking voucher. Please note that this relates to inbound travel to England only. If you are required to quarantine in the country you return to after your camp, we are unable to offer a refund or voucher.

Camps cancellation due to covid refund guarantee

If, after the 1st June 2021, we have to cancel camps due to circumstances arising from the Covid-19 pandemic we will provide you with a full refund of all fees paid providing you made the booking after 1st September 2020 and your booking was not made with a voucher from a previous year. If we have to move the camp to a different location to the one advertised, so long as we deem the new venue to be of comparable quality, then our normal booking terms and conditions will apply to anyone wishing to cancel. In the unlikely event we move a camp location, we will notify you of the change of venue as far in advance of the camp start date as possible.
