ENGLISH TEACHING

LEARN IN CLASS AND ON THE PITCH

The English curriculum is based on the CLIL approach used in top schools worldwide and is designed to enhance students' use of English in sport and the wider world. Teachers live on-site and all our staff create an immersive English environment by ensuring students communicate in English throughout the camp.

WHAT YOU GET

13-14 HOURS OF ENGLISH LESSONS PER WEEK

1:12 TEACHER TO STUDENT RATIO (AVERAGE)

ENGLISH REPORT + COMPLETION CERTIFICATE

HOW IT WORKS

On the first day, students take an English test and are divided into classes within their age group, ranging from beginner to advanced. Teachers cover general English and sports-related English in their lessons. Using the topic of sport engages students with a common interest in the classroom and equips them with useful vocabulary for their coaching sessions. Lessons are fun and interactive, using a combination of traditional classroom techniques, active participation and project work.

At the end of each week, students get an English progress report and completion certificate, along with advice from their teacher on how to continue improving their English at home.

“

Players join us from all around the world, which creates a really diverse and exciting environment. As coaches, it's so rewarding to see them develop through the camp, with everyone learning from each other's different playing styles and perspectives of the world!”

HOCKEY DIRECTOR**
